“ Sheila,

You are in my thoughts and prayers during this difficult time. Please know I am here for you if you need anything.

Love to all,

Leah and family

“ My deepest sympathy is with you and your family. Bernice and I were co-workers at Hot Spring County Hospital for years. One night it came a heavy snow. I lived 12 miles out of town at that time. Bernice insisted that I spend the night with her rather than drive that distance in the snow storm. This is just one example of the caring and loving person Bernice always was. She will be greatly missed.
