“ We are so sorry to hear of the loss of Denton. Daddy, Orval Murry and Grandfathers Ralph Murry and Foster Inglis, thought the world of Denton. I do think that they lived to trade hunting and fishing stories with each other.

The family will be in our prayers now and in the days ahead.

“ Denton was a source of much happiness for many, many members of the Arkansas Army National Guard. I always looked forward to my haircuts and the humorous stories and time he took with all who graced the doors of his shop. He will be deeply missed. My prayers are with his family.

“ I just heard of Mr Diffie passing away and my prayers go out to his family and friends.
If only I could write a book of all the stories I've heard in his shop.
Some very good memories.
