“ We are sorry for your loss; your father was truly a gentleman, and a most caring, kind-hearted man. My mother was a patient at Good Samaritan Healthcare in Hot Springs Village in 1997 through January 1999 when she passed away. She was paralyzed on the right side due to a stroke. Fred came to visit daily and would brighten her spirits. I remember one time in particular Fred came to visit when I was there, and he was so excited to share some good news! He played golf that day and shot his age -at that time he was 87! My husband was even having a difficult time breaking 90 in his golf game.

When our daughter graduated from high school, she received a very special graduation card encouraging her to further her education and to reach for the stars. She now has two Associates and will get her Bachelors in Fine Arts with a minor in Criminal Justice next May. She still has the card he sent to her!

Fred was a ray of sunshine in the lives of everyone he touched. We knew him for only a short while; I truly believe God brought him into our lives. We do share in your in your loss.

Special Blessings to all of your family!

“ I'm sorry for your loss. I lost my father so I can understand your pain. Death is never easy to accept which is why it's called an enemy in the Bible at 1 Corinthians 15:26. But Jesus gave us a hope based on the Bible at John 11:25: "I am the resurrection and the life. He that exercises faith in me, even though he dies, will come to life." So, we will be able to see our loved ones again by means of the resurrection. Then we will never have to lose them again. Why can we say that? Because God has promised us this in the Bible at such scriptures as Isaiah 25:8, Isaiah 26:19, and Revelation 21:3-5. Isn't this good news? Please read these scriptures in your own Bible. Sincerely. Rosemarie
