“ *Dear Aunt Pep,*

My deepest condolences to you and the family. My memories of Uncle Jim are some of the fondest of my childhood. Dan and I couldn't contain our excitement as we waited for your car to pull up in front of Grandpa's house in the summer time. He loved to laugh, loved a good joke, always had an opinion and most times, I enjoyed hearing it. I knew he loved me and I hope he knew how much I loved and respected him. Look how he influenced our family to love and appreciate the game of golf! I miss him. I wish I could sit and laugh with him one more time.

*Love you,
"Ol Non*
