“ I am so very sorry for your loss. I am one of Juanita's former Sunday School students. She was a wonderful woman of God and I am sure she will be missed by many. I have many fond memories of her. I know she is in a much better place now. I remember the last time my mom and I visited her in the nursing home, she was talking about her family and the church and how wonderful they all were. I pray that you will feel God's loving comfort and that her memory will be of solace to your family.

Your are in my thoughts and prayers.
