“ Ann and family,
I am so sorry to hear of the loss of your Mother. My Mother wanted to come in to see you but was unable to. She knew you Mother when we were kids. And Daddy thought so much of your families when he was alive. I met your daughter and nieces at the funeral home after Chipper's Mother's funeral. Sorry that I missed you. But please know that we are thinking of you and your family. Please tell your Dad we extend our sympathy to you all. Our prayers are with you now and in the days ahead.

“ Although we love Aunt Ruby and she will be truly missed, I know that our loss is the Lords gain. I am sure that she is happy, healthy, and free from any pain, because she is now at Home with our Lord and watching over all of us. Eventually we will all be together again, until then we will all continue to love and miss her. Our best wishes to the whole family. We love you all.

Love,
Lisa, Richard, Kayla, and Nate
